Dear Mr. Daly,

I am pleased to inform you that the Board of Directors of Protect Our Children, has selected you to receive the 2009 Junny Award. On behalf of our officers and board, let me congratulate you on your selection.

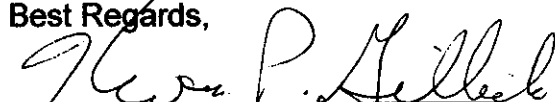

This recognition is bestowed annually upon the Floridian who has done the most to advance the American Child-Protective Movement. Named for a local boy who was murdered by a released child molester, this award expresses our hopes for a safer environment for kids, and our expectation for progress in our efforts to protect children from sexual abuse.

Your magnificent fight against the use of sexualized lyrics in a commercial advertisement has been an inspiration to us all. You succeeded in challenging our corporate neighbor to choose between the interests of a pedophile and consideration for the suffering of his victims. This is the fourth time our board has selected a Junny honoree, and the first time the vote has been unanimous.

Our group presents its award at our annual "Celebration In The Park", which is scheduled for November 21, 2009, in Cocoa. We hope you will be able to join us for the presentation.

Enclosed you will find a copy of our publication: THE GUARDIAN-BREVARD. We will follow up with more information about our group and our event. Please feel free to contact me at the phone and email listed above.

Best Regards,

Kevin P. Gillick, President POC
