

Evin M. Daly

Evin Daly is a specialist in child abuse and domestic violence prevention and child protection systems (State run and volunteer-based). He has had a life-long connection to child abuse issues in Ireland and the U.S. He is the founder and CEO of One Child International Inc., a child protection agency and non-profit with offices in Dublin, Fort Lauderdale and Sydney.

One Child International's mission is the protection of children from abuse. This is accomplished through the provision of objective, consistent, and up-to-date information on child abuse and prevention to law enforcement, medical professionals, government, and the public in the U.S. and internationally.

Background

Prior to retiring from business in 2003, Evin's 22-year career was spent as a communications specialist in the advertising industry [including Ogilvy & Mather Advertising NYC] and as a marketing principal with emerging technology firms in London, New York and South Florida.

Current

Mr. Daly is a Behavior Analyst of violent and criminal behavior(s) with emphasis on the victimization of women and children. He is a qualified and skilled forensic interviewer and interrogator of adults. Mr. Daly has worked extensively with victims, families and perpetrators of child abuse and domestic violence. He is a court-recognized forensic interviewer of children who have been physically and sexually abused.

Education and training

1. Forensic behavioral psychology and behavior analysis
